Re: Application for Initiative Petition

Dear Angela:

The initiative petition submitted to my office on April 8, 2015 is certified to be sufficient to meet legal standards for initiatives.

Under Borough Code and Alaska Statute, the initiative petition's proposed resolution will be submitted to the Assembly at the April 20, 2015 meeting. At that time, the Assembly has the option to begin the process for adoption of an ordinance enacting substantially the same measure as the one contained in the initiative petition, or the Assembly can choose not to pursue adoption of such an ordinance. If the Assembly ultimately does not enact an ordinance adopting substantially the same measure as is contained in the initiative petition, the initiative petition will be placed on the ballot in a special or regular election, after your collection and submission of a sufficient number of signatures of qualified voters, under Borough Code. If the Assembly adopts an ordinance enacting substantially the same measure as is contained in the initiative petition, at least 60 days prior to a special or regular election on the initiative petition, then the initiative petition will not be placed on the ballot for such an election.

You and your sponsors have 90 days from the date of this certification to collect the required minimum of 255 signatures of registered voters of the Petersburg Borough on the attached petition.

Sincerely,

Debra K. Thompson
Borough Clerk
