Dear Mr. Herzog,

The Petersburg Borough Assembly would like to express their financial support for the Petersburg Navigation Improvements Project under the Continuing Authorities Program (CAP), Section 107 of the 1960 River and Harbor Act, as amended, and has great interest in the study and its results.

Petersburg Borough is supporting the Petersburg Indian Association (PIA) with financial assistance and project management, and supports the PIA's desire for the navigation improvement project. We agree to work with the PIA and provide the local financial share that exceeds the \$455,000 eligible for cost sharing waiver under Section 1156 of WRDA 1986, as amended. We understand the Federal government will cost share the study at the proportion of 100% / 0% for the initial \$100,000 contribution by the Federal government, and the PIA is entitled to a cost sharing waiver of up to \$455,000; thereafter, it becomes a 50% / 50% cost share provided in cash or by a portion or all of the contributions provided through in-kind non-monetary services.

If you require additional information, please contact Borough Manager Stephen Giesbrecht at (907) 772-5402 or by email at sgiesbrecht@petersburgak.gov.

Sincerely,

Mark Jensen
Mayor
