

Assembly Member Wohlhueter is seeking Assembly approval to add updated versions of the following questions (after the Borough Attorney has properly prepared them for a municipal ballot) to the October 4, 2016 Petersburg Borough ballot. Member Wohlhueter states his intent is to give the voters ownership in a thoughtful marijuana ordinance.

**-Consumption-**

- 1) Should the PSG Borough opt-out of recreational sales of marijuana? Y/N?
- 2) Should the PSG Borough allow the sales of medicinal marijuana including tinctures, oils, salves and concentrates? Y/N?
- 3) Should the PSG Borough allow point of purchase sales only? Y/N?
- 4) Should the PSG Borough allow a smoke in cafe? Y/N?
- 5) Should the PSG Borough allow the sale of edibles? Y/N?

**-Zoning-**

- 1) Should the PSG Borough allow a recreational marijuana point of purchase shop in the downtown business district? Y/N?
- 2) Should the PSG Borough allow the sales of medicinal marijuana including oils, tinctures, sales and concentrates in the downtown business district? Y/N?
- 3) Should the PSG Borough allow a smoke in cafe downtown in the business district? Y/N?

**-Taxation-**

- 1) Should the PSG Borough levy a tax on marijuana sales to compensate for the enforcement and monitoring of records and implantation of the marijuana regulations?
