Hello Mayor Jensen, Assembly Members Lynn, Marohl, Meucci, Norheim, Stanton-Gregor, Tremblay, Manager Giesbrecht, and Clerk Thompson,

In advance of possible action during the next assembly meeting, on the proposed Tongass exemption to the Roadless Rule, please see the recent media pieces attached below (10 minute read).

In short, they provide compelling fiscal and ecological rationale, for upholding the Roadless Rule on the Tongass.

The deadline for public comment to the Roadless Rule Draft Environmental Impact Statement is Dec. 17, 2019.

Clerk Thompson, can you please include this information the the packet for the next meeting?

Thank you,

Becky Knight
