Subject: Letter of Interest--Library Board

Dear Mayor Jenson,

I would like to express my interest in serving on the Petersburg Library Board. I love our library and my family of four benefits from it tremendously. I realize that it is an entity that serves the people of Petersburg on many levels. By serving on its board I hope to give thoughtful input towards policy decisions that help it run as smoothly and successfully as possible.

I have lived in Petersburg for over 20 years and am an archaeologist with the US Forest Service. I am currently the vice-president of the Mitkof Dance Troupe board and have been for the past 5 years or so. It is a very active board that serves 180 students, their parents, 5 teachers, as well as the public who attend various adult classes. I assist with the production of two sold out performances a year as well as interact quite often with business owners, other organizations, and the general public while fundraising for MDT.

I believe the experiences and partnerships I have fostered through my Forest Service job and on the MDT board will assist me in successfully serving on the Library Board. I love the community of Petersburg and would appreciate the Borough's support.

Sincerely,

Gina Esposito
