Subject: Planning Commission

I would like to submit my interest in sitting on the Petersburg Borough Planning Commission. When the elections were held I was not eligible due to the requirement of being a residence for a year. This month I celebrated my one year being a resident. I am interested in this position because I have served on a Planning Commission for the City of La Center Washington. I feel my experience would make me a great addition. I look forward to hearing a response from the Petersburg Borough Council.

Respectfully
