Making sure my daughter knows she has a say, future assembly woman perhaps? 😊😊

Why would I go to school if I was just going to wear a mask. I was talking to my mom about it and she said it was my decision. And I don't know if I want to go to school or not. I'm going to miss my friends but it is going to be worth it. And if I can't see my friends oh well!! My mom is anxious and stressed about going back to work because she doesn't know what to do. And I wouldn't know what to do either. And my brother he got tested because he was flying in from Las Angeles and he didn't get his test results back yet and it has been 3 weeks!!! Anyway please think about it. Sincerely,

Lucia Worhatch
