RE: Kake Access Road Project - State Project No. Z696070000

Dear Mr. Giesbrecht:

We are submitting the enclosed plans for your review and comment. In addition to a general review, please specifically review for compliance in accordance with AS 35.30.020. The plans set and specifications are currently at about an 85% level and will be finalized soon.

Under AS 35.30.020, the Department must comply with local planning and zoning ordinances and other regulations in the same manner and to the same extent as other landowners. If you believe that the Department's construction of this project would result in a violation of planning, zoning, or other regulations generally applicable to landowners, please identify the portions of the project that would be in violation, and the specific planning, zoning, or other regulations that you believe would be violated.

If we have not received comments regarding the project's compliance with planning and zoning ordinances within 90 days after submittal of these plans, the Department will proceed with the project as planned. If you have any questions, I can be reached by phone at: (907) 465-2393, or by e-mail at: greg.lockwood@alaska.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joseph P. Kemp".
