Hi Kathy

I'm in favor of the mailing of ballots.

Hopefully there will be a discussion about the cost of doing so, vs having elections remain the same, in-person process.

Thanks

Dave

Hi Kathy,

Thanks for your help with our talk this am.

Please list me as being positive for Voting by Mail.

I think it will increase voter participation. Friends living where voting by mail is done say they like it and that it has increased voter participation. The information accompanying the ballots provides good instructions.
