

**PETITION BY THE RESIDENTS OF THE BOROUGH OF PETERSBURG AND CITY OF KUPREANOF, ALASKA, TO
THE UNITED STATES ARMY CORPS OF ENGINEERS (USACE) REGARDING THE KAKE ACCESS PROJECT**

We, the Undersigned, directly affected residents subject to the Kake Access Project permitting process, in accordance with the Alaska Department of Transportation & Public Facilities (ADOT&PF) Permit Application for the Kake Access Project (Reference Number POA-2020-00274);

Hereby Request the US Army Corps of Engineers, in conjunction with the State of Alaska, to hold a Public Hearing prior to consideration for, and final approval of, a permit for the Kake Access Project;

We Request that this Public Hearing be conducted in the Borough of Petersburg, and include the City of Kupreanof. The purpose of this hearing is to properly account for and meaningfully address public questions and concerns arising from ADOT and State of Alaska inconsistencies with past and currently stated Purpose and Need Statements of this project, and to clarify the resulting immediate and cumulative social, economic, and environmental impacts of the project;

Moreover, we request that the USACE analyze the entirety of impacts of the project through the National Environmental Policy Act (NEPA) under an Environmental Impact Statement. We request this public hearing, in order to provide meaningful public process for the directly affected communities, be consistent with the needs of the state fiscal crisis and concurrent COVID-19 pandemic and that the hearing be held during a time convenient to the commercial fishing community.

**PETITION BY THE RESIDENTS OF THE BOROUGH OF PETERSBURG AND CITY OF KUPARUK, ALASKA, TO
THE UNITED STATES ARMY CORPS OF ENGINEERS (USACE) REGARDING THE KATK ACCESS PROJECT**

We, the undersigned, directly affected residents subject to the Katk Access Project permitting process, located at 1001
the Alaska Department of Transportation & Public Facilities (DOT&PF) Permit Application for the Katk Access Project (AKDOT
Number: POK-2020-000001).

Hereby Request the US Army Corps of Engineers, in conjunction with the State of Alaska, to hold a Public Hearing open to
consideration, for, and final approval of, a permit for the Katk Access Project.

We Request that this Public Hearing be conducted... for a period of 30 days and include in the record... the presence
of this hearing is to properly examine for and intelligently address public questions and concerns arising from ADOT and State
of Alaska circumstances with past and currently stated Purpose and Need Statements of this project, and to study the
resulting immediate and cumulative social, economic, and environmental impacts of the project.

Moreover, we request that the USACE analyze the entirety of impacts of the project through the National Environmental
Policy Act (NEPA) under an Environmental Impact Statement. We request this public hearing, in order to provide meaning-
ful public process for the directly affected communities, be consistent with the needs of the state during crisis and current
COVID-19 pandemic and that the hearing be held during a time convenient to the communities being represented.

**PETITION BY THE RESIDENTS OF THE BOROUGH OF PETERSBURG AND CITY OF KUPREANOF, ALASKA, TO
THE UNITED STATES ARMY CORPS OF ENGINEERS (USACE) REGARDING THE KAKE ACCESS PROJECT**

We, the Undersigned, directly affected residents subject to the Kake Access Project permitting process, in accordance with the Alaska Department of Transportation & Public Facilities (ADOT&PF) Permit Application for the Kake Access Project (Reference Number POA-2020-00274);

Hereby Request the US Army Corps of Engineers, in conjunction with the State of Alaska, to hold a Public Hearing *prior to consideration for, and final approval of*, a permit for the Kake Access Project;

We Request that this Public Hearing be conducted in the Borough of Petersburg, and include the City of Kupreanof. The purpose of this hearing is to properly account for and meaningfully address public questions and concerns arising from ADOT and State of Alaska inconsistencies with past and currently stated Purpose and Need Statements of this project, and to clarify the resulting immediate and cumulative social, economic, and environmental impacts of the project;

Moreover, we request that the USACE analyze the entirety of impacts of the project through the National Environmental Policy Act (NEPA) under an Environmental Impact Statement. We request this public hearing, in order to provide meaningful public process for the directly affected communities, be consistent with the needs of the state fiscal crisis and concurrent COVID-19 pandemic and that the hearing be held during a time convenient to the commercial fishing community.

PETITION BY THE RESIDENTS OF THE BOROUGH OF PETERSBURG AND CITY OF KUPREANOF, ALASKA, TO
THE UNITED STATES ARMY CORPS OF ENGINEERS (USACE) REGARDING THE KAKE ACCESS PROJECT

We, the Undersigned, directly affected residents subject to the Kake Access Project permitting process, in accordance with the Alaska Department of Transportation & Public Facilities (ADOT&PF) Permit Application for the Kake Access Project (Reference Number POA-2020-00274);

Hereby Request the US Army Corps of Engineers, in conjunction with the State of Alaska, to hold a Public Hearing *prior to consideration for, and final approval of*, a permit for the Kake Access Project;

We Request that this Public Hearing be conducted in the Borough of Petersburg, and include the City of Kupreanof. The purpose of this hearing is to properly account for and meaningfully address public questions and concerns arising from ADOT and State of Alaska inconsistencies with past and currently stated Purpose and Need Statements of this project, and to clarify the resulting immediate and cumulative social, economic, and environmental impacts of the project;

Moreover, we request that the USACE analyze the entirety of impacts of the project through the National Environmental Policy Act (NEPA) under an Environmental Impact Statement. We request this public hearing, in order to provide meaningful public process for the directly affected communities, be consistent with the needs of the state fiscal crisis and concurrent COVID-19 pandemic and that the hearing be held during a time convenient to the commercial fishing community.
