Thank you as a Borough Assembly for being vigilant and responsive to the COVID situations of Petersburg Borough in the past, currently and in the future.

Risk Assessment is difficult for all of us during this time - personally and for families. And for you, the Assembly the added dimension of risk assessment and policies for the Citizens and visitors of our Borough Through this year I have listened to Borough members deliberations. I am supportive of the decisions to protect public health you have made. We all hope for a "finish line" but it appears the "marathon" continues Thank You for your continued work
