Hi Karl,

We tried to send you the email below this morning but, for most reason, it showed up under an email address with Starband which no longer exists, sorry. So, hopefully you will receive our email now.

Thanks,

Ken and Laura

Karl,

My name is Ken Howard. My wife and I live about 15 miles south of town on Keene Channel. We are retired but still active in our community. We have been following the directions and information on the current virus very closely as we fall into the venerable age group. On yesterdays radio update on KFSK we were discouraged to hear the negative comments from several community members. We very much appreciate what you and our community leaders are doing to keep us all safe as possible. These are difficult times for us all. And I feel we are sailing in uncharted waters. It seems most logical to err on the side of caution. Please stay your present course to keep us all safe. Thank you for your hard work and diligence.

Sincerely Ken and Laura Howard
