Draft Forest Land Use Plan

The Alaska Department of Natural Resources, Division of Forestry (DOF), gives formal notice per AS 38.05.945 that the Division proposes to adopt a site-specific Forest Land Use Plan (FLUP) under AS 38.05.112 and the administrative standards of AS 41.17.060 for the commercial timber sale: Parlay One Timber Sale (SSE 1342-K).

This timber sale is located on Kosciusko Island, approximately 1.5 miles southwest of the Community of Edna Bay, Alaska. The legal description of the sale area is within Sections 33 and 34 of Township (T) 68 South, Range 76 East, Copper River Meridian. The sale area is found within the Craig D-5 Northwest and Craig D-6 Northeast USGS quadrangles. Access to the area is from the Kosciusko Island road system.

The FLUP is intended to provide the best available information regarding the proposed timber harvest on 168 acres the management of other non-timber uses in compliance with AS 38.05.112 and AS 41.17.060, and must be adopted by the DOF before the proposed activity can occur. This FLUP does not determine whether or not to access and sell timber within the timber sale area, nor the method of sale. Those decisions have been made previously in the March 9, 2017 Best Interest Finding and are not appealable under this FLUP. The DOF expects to adopt the Forest Land Use Plan for the timber sale sometime after **September 17, 2019**.

The public is invited to comment on the FLUP. Comments should be mailed to the Alaska Division of Forestry, 2417 Tongass Avenue, Suite 213, Ketchikan, AK 99901. Comments must be received at the Division of Forestry office no later than **September 17, 2019**, in order to be considered in the adopted FLUP. To be eligible to appeal the adopted FLUP a person must have provided written comment by **September 17, 2019**.
