To: Petersburg Borough Assembly

I am expressing my interest in serving as Petersburg's alternate to the SEAPA board for calendar year 2017. I feel I am a good fit for the job because during my 10 ½ years of experience on the Petersburg City Council/Borough Assembly I was involved in the restructuring of the Four Dam Pool to SEAPA, the trimming of operational costs by SEAPA's absorption of the Thomas Bay Power Authority and the assumption the O&M responsibilities of the Tyee Dam, along with the power lines from the dam to Wrangell and Petersburg. I would like to stay involved in the SEAPA board to help facilitate the assumption of O&M for the Swan Lake Dam from Ketchikan Public Utilities as well. I feel this would streamline the O&M for the entire Swan/Tyee Intertie.

Respectfully,

Mark Jensen
