On June 28, 2019, Governor Dunleavy vetoed 50% of School Bond Debt Reimbursement funding. Due to the Governor's veto, this resolution will supplement the mill rate for each dollar of assessed taxable real property within Service Area 1 for the FY 2020 budget year if approved by the Assembly.

Suggested motion: "I make a motion to approve Resolution #2019-11 that will adopt and levy a supplemental millage rate for the annual debt service regarding the Aquatic Center, Vocational Education Building and School Deferred Maintenance. These three school capital projects and debt obligations were approved by the majority of participating voters in 2004 special elections. This mill rate increase is in response to the governor's recent 50% reduction to School Bond Debt Reimbursement which was announced June 28, 2019."
