I am interested in being appointed to the board. Some of those on the Assembly may remember that I advocated it being abolished. However, as long as it is in existence I believe that given my long involvement in working with law enforcement personnel and agencies, that I could be of use as a member of it.

Hi John,

No one has applied for the vacancy on the Public Safety Advisory Board. If you get me a note of your interest by next Wednesday, I can place your appointment on the November 24th agenda.
