

**Mayor's Report  
For  
February 3, 2014 Assembly Meeting**

**1. Vacancy Announcement:** There is a vacancy on the Planning & Zoning Commission. Residents interested in serving as a Planning Commission member until the October, 2014 election should submit a letter of interest to myself or the borough clerk.

**2. Letters of Interest:**

**A.** Barb Fish has submitted a letter of interest for the vacant position on the Library Board.

**B.** Steven Samuelson has submitted a letter of interest for the vacant position on the Hospital Advisory Board.

**3. Reconsideration of Rezoning Requests:** At the January 21<sup>st</sup> Assembly meeting, no second was received to consider rezoning ordinances based on applications received and subsequently recommended for approval by the P&Z Commission. Based upon Roberts Rules of Order and Assembly meeting practice, failure to acquire a second to the motion resulted in the ordinances failing in their first reading. I and other Assembly members believe the applicants of the rezoning request deserve formal consideration of the ordinances and should be provided reasons for any Assembly determination on the requests. To accommodate the attendance of the applicants as well as the Community Development Director, I have rescheduled the first reading of Ordinances #2014-02 and #2014-03 to the March 17, 2014 Assembly meeting at 7:00 p.m.

**4. Rescheduling of 2<sup>nd</sup> Meeting in February:** A reminder that the 2<sup>nd</sup> meeting for February will be held at Noon, Friday, February 14. (Due to a lack of quorum for the February 18 assembly meeting; and to accommodate the Assembly's review of drawings and cost estimates of the possible refurbishing of the Municipal Building prior to their submittal to the legislature with a request for funding).
