The way that this mandate is written seems to cover a very wide spectrum of things. Whether the borough chooses to follow and enforce everything in the proposed mandate or just a portion of it is irrelevant. At the end of the day, what you are proposing, and the way this mandate is written, allows the borough absolute power to decide what is in the best interest for me and my family. It is infringing upon my medical rights and I am against it.

Sincerely,

Gwynne Samuelson-Jones
