RE: NO MORE MANDATES

GOOD EVENING Assembly members:

Guess what, WE KNOW THIS VIRUS IS REAL, JUST LIKE THE FLU IS REAL, neither one require us to be locked up like some criminals. Why not give the PEOPLE and BUSINESSES in this town some CREDIT for what they have controlled so far since this spread started 8 months ago. WE DO NOT HAVE ANYTHING OUT OF CONTROL in PETERSBURG. PETERSBURG is not ANCHORAGE OR CALIFORNIA. We have not EVER had ANY CASES THAT REQUIRED being in the hospital or to be MEDIVACCED out of Petersburg. Yes, people get the virus, just like they get the flu and 100% of the folk who have caught this virus IN PETERSBURG, have recovered. WE DO NOT NEED MORE MANDATES, MORE CLOSING OF BUSINESSES, MORE BEING LOCKED UP AT HOME. This is exactly why we did not want Ordinance #2020-19: That Amended Borough Code Chapter 3.72, because some people let the power go right to their head without considering the rest of us. THANK YOU

PS I am a compromised person, and GUESS WHAT?? I have handed my businesses over to my wonderful son and daughter-in-law so that I can STAY HOME. If you are compromised please

stay home to allow EVERYONE else to get on with their normal everyday lives. Think of the kids, this will mess many up and especially kids who are told that they could kill someone, who does that? Stay home

You have cried wolf one to many times and for what?

Thank you
