AMENDING PROVISIONS OF CHAPTER 4.28 FOR PURPOSES OF CONSISTENCY**

**WHEREAS**, the Borough Assembly adopted Resolution No. 2019-19 on December 16, 2019, which authorized the Petersburg Borough to join the Alaska Remote Seller Sales Tax Commission ("the Commission") for the purposes of collecting Borough sales tax from remote sellers; and

**WHEREAS**, the Petersburg Borough has now entered into a cooperative agreement with other local governments through the Commission, called the Alaska Intergovernmental Remote Seller Sales Tax Agreement ("the Agreement"); and

**WHEREAS**, the terms of the Agreement require adoption of certain uniform provisions for collection and remittance of municipal sales tax applicable to sales made by remote sellers similar to the Streamlined Sales and Use Tax Agreement; and

**WHEREAS**, the intent of these amendments are to collect municipal sales tax to the maximum limit of federal and state constitutional doctrines.

**THEREFORE, THE PETERSBURG BOROUGH ORDAINS** as follows:

**Section 1. Classification:** This ordinance is of a permanent nature and shall be codified in the Petersburg Borough Code.

**Section 2. Purpose:** The purpose of this ordinance is to adopt the Alaska Remote Seller Sales Tax Code, thereby enabling the Alaska Remote Seller Sales Tax Commission, a multi-governmental agency to which the Borough is a member, to administer the Borough Sales Tax on behalf of the Borough from remote vendors to the maximum degree possible under the law. Additionally, provisions of existing Chapter 4.28, Sales Tax, of the Borough Code (Sections 4.28.020 (Definitions), 4.28.060 (Tax to be paid monthly), 4.28.100 (Duty to keep books -- Investigation), and 4.28.130 (Senior citizen exemption)) are amended for purposes of consistency.

**Section 3. Substantive Provisions:**

A. **New Chapter.** A new Chapter 4.30 of the Petersburg Borough Municipal Code, entitled the Alaska Remote Seller Sales Tax Code, is hereby adopted, to read as follows:

**Chapter 4.30 – Alaska Remote Sellers Sales Tax Code**

**4.30.005 – Introduction**

The Alaska Remote Seller Sales Tax Code, as set out in the provisions of this chapter, is an ordinance largely prepared by the Alaska Remote Seller Sales Tax Commission, of which the Borough is a Member. This ordinance is herein adopted in order to provide for administration by the Commission of the Borough sales tax collected by remote sellers and marketplace facilitators, as those terms are defined herein, pursuant to Section 4.30.230. When used in this

chapter, the term "taxing jurisdiction", "local jurisdiction" or "local taxing jurisdiction" refers to the Petersburg Borough.

#### **4.30.010 – Interpretation**

- A. In order to prevent evasion of the sales taxes and to aid in its administration, it is presumed that all sales and services by a person or entity engaging in business are subject to the sales tax.
- B. The application of the tax to be collected under this Code shall be broadly construed and shall favor inclusion rather than exclusion.
- C. Exemptions from the tax to be collected under this Code shall be narrowly construed against the claimant and allowed only when such exemption clearly falls within an exemption defined in the taxing jurisdiction's Code.
- D. The scope of this Code shall apply to remote sellers or marketplace facilitators, delivering products or services into Member municipalities adopting this Code, within the state of Alaska.

#### **4.30.020 – Title to Collected Sales Tax**

Upon collection by the remote seller or marketplace facilitator, title to collected sales tax vests in the Commission for remittance to the taxing jurisdiction. The remote seller or marketplace facilitator remits collected sales tax to the Commission on behalf of the taxing jurisdiction, from whom that power is delegated, in trust for the taxing jurisdiction and is accountable to the Commission and taxing jurisdiction.

#### **4.30.030 – Collection – Rate**

- A. To the fullest extent permitted by law, the sales tax levied and assessed by the taxing jurisdiction shall be collected on all remote sales where delivery is made wholly or in part within the local taxing jurisdiction(s) that is a Member, within the state of Alaska.
- B. The applicable tax shall be added to the sales price.
- C. The tax rate added to the sale price shall be the tax rate for the taxing jurisdiction(s) where the property or product is sold, or service that was rendered is received, and based on the date the property or product was sold or the date the service rendered was received.
- D. An Address and Tax Rate Database will be made available to remote sellers and marketplace facilitators, indicating the appropriate tax rate to be applied.
- E. The tax assessed shall be consistent with relevant jurisdictional tax caps, single unit sales, and exemptions.
- F. When a sale is made on an installment basis, the applicable sales tax shall be collected at each payment, calculated at the sales tax rate in effect, and with the cap applied, at the time of the original sale or the date the service is rendered, based on the local jurisdictions' Code(s).
- G. When a sales transaction involves placement of a single order with multiple deliveries made at different points in time that are separately invoiced, the applicable sales tax shall be collected on each separately invoiced delivery, calculated at the sales tax rate in effect, and with the cap applied, at the time of the original sale or the date the service is rendered.

#### **4.30.040 – Obligation to Collect Tax - Threshold Criteria**

- A. Any remote seller or marketplace facilitator must collect and remit sales tax in compliance with all applicable procedures and requirements of law, provided the remote seller or marketplace facilitator has met one of the following Threshold Criteria (“Threshold Criteria”) in the previous calendar year:
  - 1. The remote seller’s statewide gross sales, including the seller’s marketplace facilitator’s statewide gross sales, from the sale(s) of property, products or services delivered into the state meets or exceeds one hundred thousand dollars (\$100,000); or
  - 2. The remote seller, including the seller’s marketplace facilitator, sold property, products, or services delivered into the state in two hundred (200) or more separate transactions.
- B. For purposes of determining whether the Threshold Criteria are met, remote sellers or marketplace facilitators shall include all gross sales, from all sales of goods, property, products, or services rendered within the state of Alaska.

#### **4.30.050 – No Retroactive Application**

The obligations to collect and remit sales tax required by this chapter are applicable at the effective date of the taxing jurisdiction's ordinance adopting the Alaska Remote Seller Sales Tax Code.

#### **4.30.060 – Payment and Collection**

Pursuant to this Code, taxes imposed shall be due and paid by the buyer to the remote seller or marketplace facilitator at the time of the sale of property or product or date service is rendered, or with respect to credit transactions, at the time of collection. It shall be the duty of each remote seller or marketplace facilitator to collect the taxes from the buyer and to hold those taxes in trust for the taxing authority of the taxing jurisdiction. Failure by the remote seller or marketplace facilitator to collect the tax shall not affect the remote seller’s, or marketplace facilitator’s, responsibility for payment to the Commission.

#### **4.30.070 – Remote Seller and Marketplace Facilitator Registration Requirement**

- A. If a remote seller’s gross statewide sales within the last calendar year meets or exceeds the Threshold Criteria, the remote seller shall register with the Commission. If a marketplace facilitator’s gross statewide sales within the last calendar year meets or exceeds the Threshold Criteria, the marketplace facilitator shall register with the Commission.
- B. A remote seller or marketplace facilitator meeting the Threshold Criteria shall apply for a certificate of sales tax registration within thirty (30) calendar days of the effective date of this Code or within thirty (30) calendar days of meeting the Threshold Criteria whichever occurs second. Registration shall be to the Commission on forms prescribed by the Commission.
- C. An extension may be applied for and granted based on criteria established by the Commission, based on evidence produced to describe time necessary to update software or other technical needs, not to exceed ninety (90) days.
- D. Upon receipt of a properly executed application, the Commission shall confirm registration, stating the legal name of the remote seller or marketplace facilitator, the primary address, and the primary sales tax contact name and corresponding title. The

failure of the Commission to confirm registration does not relieve the remote seller or marketplace facilitator of its duty to collect and remit sales tax.

- E. Each business entity shall have a sales tax registration under the advertised name.
- F. The sales tax certificate is non-assignable and non-transferable.

#### **4.30.080 - Tax Filing Schedule**

- A. All remote sellers or marketplace facilitators subject to this Code shall file a return on a form or in a format prescribed by the Commission and shall pay the tax due.
- B. Filing of sales tax returns are due monthly; quarterly filing is optional upon application and approval by the Commission, consistent with the code of the local jurisdiction.
- C. A remote seller or marketplace facilitator who has filed a sales tax return will be presumed to be making sales in successive periods unless the remote seller or marketplace facilitator files a return showing a termination or sale of the business in accordance with this Code.
- D. The completed and executed return, together with the remittance in full for the tax due, shall be transmitted to and must be received by the Commission on or before midnight Alaska Standard Time on the due date. Monthly returns are due the last day of the immediate subsequent month. Quarterly returns are due as follows:

Quarter 1 (January – March)	April 30
Quarter 2 (April – June)	July 31
Quarter 3 (July – September)	October 31
Quarter 4 (October – December)	January 31

- E. If the last day of the month following the end of the filing period falls on a Saturday, Sunday, federal holiday or Alaska state holiday, the due date will be extended until the next business day immediately following.
- F. Any remote seller or marketplace facilitator holding a remote seller registration shall file a sales tax return even though no tax may be due. This return shall show why no tax is due. If the remote seller or marketplace facilitator intends to continue doing business a return shall be filed reflecting no sales and a confirmation of the intent to continue doing business and shall continue to do so each filing period until the entity ceases doing business or sells the business. If the remote seller or marketplace facilitator intends to cease doing business, a final return shall be filed along with a statement of business closure.
- G. The remote seller or marketplace facilitator shall prepare the return and remit sales tax to the Commission on the same basis, cash or accrual, which the remote seller or marketplace facilitator uses in preparing its federal income tax return. The remote seller or marketplace facilitator shall sign the return, and transmit the return, with the amount of sales tax and any applicable penalty, interest or fees that it shows to be due, to the Commission.
- H. Remote sellers and marketplace facilitators failing to comply with the provisions of this Code shall, if required by the Commission and if quarterly filing has been chosen, file and transmit collected sales taxes more frequently until such time as they have demonstrated to the Commission that they are or will be able to comply with the provisions of this Code. Six (6) consecutive on-time sales tax filings, with full remittance of the sales taxes collected, shall establish the presumption of compliance

and return to quarterly filing.

- I. The preparer of the sales tax return shall keep and maintain all documentation supporting any and all claims of exempted sales and purchases. Documentation for exempted sales should include the number of the exemption authorization card presented by the buyer at the time of the purchase; the date of the purchase; the name of the person making the purchase; the organization making the purchase; the total amount of the purchase; and the amount of sales tax exempted. This documentation shall be made available to the Commission upon request. Failure to provide such documentation may invalidate that portion of the claim of exemption for which no documentation is provided.

#### **4.30.090 - Estimated Tax**

- A. In the event the Commission is unable to ascertain the tax due from a remote seller or marketplace facilitator by reason of the failure of the remote seller or marketplace facilitator to keep accurate books, allow inspection, or file a return, or by reason of the remote seller or marketplace facilitator filing a false or inaccurate return, the Commission may make an estimate of the tax due based on any evidence in their possession.
- B. Sales taxes may also be estimated, based on any information available, whenever the Commission has reasonable cause to believe that any information on a sales tax return is not accurate.
- C. A remote seller's or marketplace facilitator's tax liability under this Code may be determined and assessed for a period of six (6) years after the date the return was filed or due to be filed with the Commission. No civil action for the collection of such tax may be commenced after the expiration of the six- (6-) year period except an action for taxes, penalties and interest due from those filing periods that are the subject of a written demand or assessment made within the six- (6-) year period, unless the remote seller or marketplace facilitator waives the protection of this section.
- D. The Commission shall notify the remote seller or marketplace facilitator, in writing, that the Commission has estimated the amount of sales tax that is due from the remote seller or marketplace facilitator. The Commission shall serve the notice on the remote seller or marketplace facilitator by delivering the notice to the remote seller's or marketplace facilitator's place of business, or by mailing the notice by certified mail, return receipt requested, to the remote seller's or marketplace facilitator's last known mailing address. A remote seller or marketplace facilitator who refuses the certified mail will be considered to have accepted the certified mail for purposes of service.
- E. The Commission's estimate of the amount of sales tax that is due from a remote seller or marketplace facilitator shall become a final determination of the amount that is due unless the remote seller or marketplace facilitator, within thirty (30) calendar days after service of notice of the estimated tax:
  - 1. Files a complete and accurate sales tax return for the delinquent periods supported by satisfactory records and accompanied by a full remittance of all taxes, interest, penalties, costs and other charges due; or
  - 2. Files a written notice with the Commission appealing the estimated tax amount in accordance with the appeal procedures.

3. Arguments or reasons for failure to timely file a return and remit taxes collected shall not be considered a valid basis or grounds for granting an appeal. The basis and grounds for granting an appeal of an assessment are:
  - a. The identity of the remote seller or marketplace facilitator is in error;
  - b. The amount of the debt is erroneous due to a clerical error (and the nature and extent of the error is specified in the request for appeal); or
  - c. The remote seller or marketplace facilitator disputes the denial of exemption(s) for certain sales.
- F. The amount of sales tax finally determined to be due under this section shall bear interest and penalty from the date that the sales tax originally was due, plus an additional civil penalty of fifty dollars (\$50) for each calendar month or partial month for which the amount of sales tax that is due has been determined.

#### **4.30.100 - Returns – Filing Contents**

- A. Every remote seller or marketplace facilitator required by this chapter to collect sales tax shall file with the Commission upon forms furnished by the Commission a return setting forth the following information with totals rounded to the nearest dollar:
  1. Gross sales;
  2. The nontaxable portions separately stating the amount of sales revenue attributable to each class of exemption;
  3. Computation of taxes to be remitted;
  4. Calculated discount (if applicable) based on taxing jurisdiction's code; and
  5. Such other information as may be required by the Commission.
- B. Each tax return remitted by a remote seller or marketplace facilitator shall be signed (digital or otherwise) by a responsible individual who shall attest to the completeness and accuracy of the information on the tax return.
- C. The Commission reserves the right to reject a filed return for failure to comply with the requirements of this Code for up to three (3) months from the date of filing. The Commission shall give written notice to a remote seller or marketplace facilitator that a return has been rejected, including the reason for the rejection.

#### **4.30.110 – Refunds**

- A. Upon request from a buyer or remote seller or marketplace facilitator, the Commission shall provide a determination of correct tax rate and amount applicable to the transaction. In the case of an overpayment of taxes, the remote seller or marketplace facilitator shall process the refund and amend any returns accordingly.
- B. If the claimant is a remote seller or marketplace facilitator, and the tax refund is owed to any buyer, the remote seller or marketplace facilitator submits, and the Commission approves, a refund plan to all affected buyers.
- C. The Taxing Jurisdictions may allow a buyer to request a refund directly from the Taxing Jurisdiction.

#### **4.30.120 – Amended Returns**

- A. A remote seller or marketplace facilitator may file an amended sales tax return, with supporting documentation; and the Commission may accept the amended return, but only in the following circumstances:
  - i. The amended return is filed within one (1) year of the original due date for the return;

- and
  - ii. The remote seller or marketplace facilitator provides a written justification for requesting approval of the amended return; and
  - iii. The remote seller or marketplace facilitator agrees to submit to an audit upon request of the Commission.
- B. The Commission shall notify the remote seller or marketplace facilitator in writing (by email or otherwise) whether the Commission accepts or rejects an amended return, including the reasons for any rejection.

    - i. The remote seller or marketplace facilitator provides a written justification for requesting approval of the supplemental return; and
    - ii. The remote seller or marketplace facilitator agrees to submit to an audit upon request of the Commission.

#### **4.30.130 – Extension of Time to File Tax Return**

Upon written application of a remote seller or marketplace facilitator, stating the reasons therefor, the Commission may extend the time to file a sales tax return but only if the Commission finds each of the following:

1. For reasons beyond the remote seller's or marketplace facilitator's control, the remote seller or marketplace facilitator has been unable to maintain in a current condition the books and records that contain the information required to complete the return;
2. Such extension is a dire necessity for bookkeeping reasons and would avert undue hardship upon the remote seller or marketplace facilitator;
3. The remote seller or marketplace facilitator has a plan to cure the problem that caused the remote seller or marketplace facilitator to apply for an extension and the remote seller or marketplace facilitator agrees to proceed with diligence to cure the problem;
4. At the time of the application, the remote seller or marketplace facilitator is not delinquent in filing any other sales tax return, in remitting sales tax to the Commission or otherwise in violation of this chapter;
5. No such extension shall be made retroactively to cover existing delinquencies.

#### **4.30.140 – Audits**

- A. Any remote seller or marketplace facilitator who has registered with the Commission, who is required to collect and remit sales tax, or who is required to submit a sales tax return is subject to a discretionary sales tax audit at any time. The purpose of such an audit is to examine the business records of the remote seller or marketplace facilitator in order to determine whether appropriate amounts of sales tax revenue have been collected by the remote seller or marketplace facilitator and remitted to the Commission.
- B. The Commission is not bound to accept a sales tax return as correct. The Commission may make an independent investigation of all retail sales or transactions conducted within

the State or taxing jurisdiction.

- C. The records that a remote seller or marketplace facilitator is required to maintain under this chapter shall be subject to inspection and copying by authorized employees or agents of the Commission for the purpose of auditing any return filed under this chapter, or to determine the remote seller's or marketplace facilitator's liability for sales tax where no return has been filed.
- D. In addition to the information required on returns, the Commission may request, and the remote seller or marketplace facilitator must furnish, any reasonable information deemed necessary for a correct computation of the tax.
- E. The Commission may adjust a return for a remote seller or marketplace facilitator if, after investigation or audit, the Commission determines that the figures included in the original return are incorrect, and that additional sales taxes are due; and the Commission adjusts the return within two (2) years of the original due date for the return.
- F. For the purpose of ascertaining the correctness of a return or the amount of taxes owed when a return has not been filed, the Commission may conduct investigations, hearings and audits and may examine any relevant books, papers, statements, memoranda, records, accounts or other writings of any remote seller or marketplace facilitator at any reasonable hour on the premises of the remote seller or marketplace facilitator and may require the attendance of any officer or employee of the remote seller or marketplace facilitator. Upon written demand by the Commission, the remote seller or marketplace facilitator shall present for examination, in the office of the Commission, such books, papers, statements, memoranda, records, accounts and other written material as may be set out in the demand unless the Commission and the person upon whom the demand is made agree to presentation of such materials at a different place.
- G. The Commission may issue subpoenas to compel attendance or to require production of relevant books, papers, records or memoranda. If any remote seller or marketplace facilitator refuses to obey any such subpoena, the Commissioner may refer the matter to the Commission's attorney for an application to the superior court for an order requiring the remote seller or marketplace facilitator to comply therewith.
- H. Any remote seller, marketplace facilitator, or person engaged in business who is unable or unwilling to submit their records to the Commission shall be required to pay the Commission for all necessary expenses incurred for the examination and inspection of their records maintained outside the Commission.
- I. After the completion of a sales tax audit, the results of the audit will be sent to the business owner's address of record.
- J. In the event the Commission, upon completion of an audit, discovers more than five hundred dollars (\$500) in additional sales tax due from a remote seller or marketplace facilitator resulting from a remote seller's or marketplace facilitator's failure to accurately report sales and taxes due thereupon, the remote seller or marketplace facilitator shall bear responsibility for the full cost of the audit. The audit fee assessment will be in addition to interest and penalties applicable to amounts deemed to be delinquent by the Commission at the time of the conclusion of the audit.

#### **4.30.150 - Audit or Estimated Tax protest**

- A. If the remote seller or marketplace facilitator wishes to dispute the amount of the estimate, or the results of an examination or audit, the remote seller or marketplace

facilitator must file a written protest with the Commission, within thirty (30) calendar days of the date of the notice of estimated tax or results of an audit or examination. The protest must set forth:

1. The remote seller's or marketplace facilitator's justification for reducing or increasing the estimated tax amount, including any missing sales tax returns for the periods estimated; or
  2. The remote seller's or marketplace facilitator's reasons for challenging the examination or audit results.
- B. In processing the protest, the Commission may hold an informal meeting or hearing with the remote seller or marketplace facilitator, either on its own or upon request of the remote seller or marketplace facilitator, and may also require that the remote seller or marketplace facilitator submit to an audit, if one was not previously conducted or a more formal audit, if an estimation audit was previously performed.
- C. The Commission shall make a final written determination on the remote seller's or marketplace facilitator's protest and mail a copy of the determination to the remote seller or marketplace facilitator.
- D. If a written protest is not filed within thirty (30) days of the date of the notice of estimated tax or the result of a review, audit or examination, then the estimated tax, review, audit or examination result shall be final, due and payable to the Commission.

#### **4.30.160 – Penalties and Interest for Late Filing**

- B. Delinquent sales tax bear interest at the rate of fifteen percent (15%) per annum until paid.
- C. In addition, delinquent sales tax shall be subject to an additional penalty of 5% per month, or fraction thereof, until a total of 20% of delinquent tax has been reached. The penalty does not bear interest.
- D. Fees, penalties and interest shall be assessed and collected in the same manner as the tax is assessed and collected, and applied first to fees, penalties and interest, second to past due sales tax.
- E. The filing of an incomplete return, or the failure to remit all tax, shall be treated as the filing of no return.
- F. A penalty assessed under this section for the delinquent remittance of sales tax or failure to file a sales tax return may be waived by the Commission, upon written application of the remote seller or marketplace facilitator accompanied by a payment of all delinquent sales tax, interest and penalty otherwise owed by the remote seller or marketplace facilitator, within forty-five (45) calendar days after the date of delinquency. A remote seller or marketplace facilitator may not be granted more than one (1) waiver of penalty under this subsection in any one calendar year. The Commission shall report such waivers of penalty to the taxing jurisdiction, in writing.

#### **4.30.170 – Repayment Plans**

- A. The Commission may agree to enter into a repayment plan with a delinquent remote seller or marketplace facilitator. No repayment plan shall be valid unless agreed to by both parties in writing.

- B. A remote seller or marketplace facilitator shall not be eligible to enter into a repayment plan with the Commission if the remote seller or marketplace facilitator has defaulted on a repayment plan in the previous two (2) calendar years.
- C. The repayment plan shall include a secured promissory note that substantially complies with the following terms:
  - i. The remote seller or marketplace facilitator agrees to pay a minimum of ten percent (10%) down payment on the tax, interest and penalty amount due. The down payment shall be applied first to penalty, then to accumulated interest, and then to the tax owed.
  - ii. The remote seller or marketplace facilitator agrees to pay the balance of the tax, penalty and interest owed in monthly installments over a period not to exceed two (2) years.
  - iii. Interest at a rate of fifteen percent (15%) per annum shall accrue on the principal sum due. Interest shall not apply to penalties owed or to interest accrued at the time the repayment plan is executed or accruing during the term of the repayment plan.

  - v. The remote seller or marketplace facilitator agrees to pay all future tax bills in accordance with the provisions of this chapter.
  - vi. The remote seller or marketplace facilitator agrees to provide a security interest in the form of a sales tax lien for the entire unpaid balance of the promissory note to be recorded by the Commission at the time the repayment plan is signed. The remote seller or marketplace facilitator shall be responsible for the cost of recording the tax lien.
- D. If a remote seller or marketplace facilitator fails to pay two (2) or more payments as required by the repayment plan agreement, the remote seller or marketplace facilitator shall be in default and the entire amount owed at the time of default shall become immediately due. The Commission will send the remote seller or marketplace facilitator a notice of default. The Commission may immediately foreclose on the sales tax lien or take any other remedy available under the law.

#### **4.30.180 – Remote Seller or Marketplace Facilitator Record Retention**

Remote sellers or marketplace facilitators shall keep and preserve suitable records of all sales made and such other books or accounts as may be necessary to determine the amount of tax which the remote seller or marketplace facilitator is obliged to collect. Remote sellers or marketplace facilitators shall preserve suitable records of sales for a period of six (6) years from the date of the return reporting such sales, and shall preserve for a period of six (6) years all invoices of goods and merchandise purchased for resale, and all such other books, invoices and records as may be necessary to accurately determine the amount of taxes which the remote seller or marketplace facilitator was obliged to collect under this chapter.

#### **4.30.190 - Cessation or Transfer of Business**

- A. A remote seller or marketplace facilitator who sells, leases, conveys, forfeits, transfers or assigns the majority of their business interest, including a creditor or secured party, shall make a final sales tax return within thirty (30) days after the date of such conveyance.
- B. At least ten (10) business days before any such sale is completed, the remote seller or marketplace facilitator shall send to the Commission, by approved communication (email confirmation, certified first-class mail, postage prepaid) a notice that the remote seller's or marketplace facilitator's interest is to be conveyed and shall include the name, address and telephone number of the person or entity to whom the interest is to be conveyed.
- C. Upon notice of sale and disclosure of buyer, the Commission shall be authorized to disclose the status of the remote seller's or marketplace facilitator's sales tax account to the named buyer or assignee.
- D. Upon receipt of notice of a sale or transfer, the Commission shall send the transferee a copy of this Code with this section highlighted.
- E. Neither the Commission's failure to give the notice nor the transferee's failure to receive the notice shall relieve the transferee of any obligations under this section.
- F. Following receipt of the notice, the Commission shall have sixty (60) days in which to perform a final sales tax audit and assess sales tax liability against the seller of the business. If the notice is not mailed at least ten (10) business days before the sale is completed, the Commission shall have twelve (12) months from the date of the completion of the sale or the Commission's knowledge of the completion of the sale within which to begin a final sales tax audit and assess sales tax liability against the seller of the business. The Commission may also initiate an estimated assessment if the requirements for such an assessment exist.
- G. A person acquiring any interest of a remote seller or marketplace facilitator in a business required to collect the tax under this chapter assumes the liability of the remote seller or marketplace facilitator for all taxes due the Commission, whether current or delinquent, whether known to the Commission or discovered later, and for all interest, penalties, costs and charges on such taxes.
- H. Before the effective date of the transfer, the transferee of a business shall obtain from the Commission an estimate of the delinquent sales tax, penalty and interest, if any, owed by the remote seller or marketplace facilitator as of the date of the transfer, and shall withhold that amount from the consideration payable for the transfer, until the remote seller or marketplace facilitator has produced a receipt from the Commission showing that all tax obligations imposed by this chapter have been paid. A transferee that fails to withhold the amount required under this subsection shall be liable to the Commission and taxing jurisdiction for the lesser of the amount of delinquent sales tax, penalty and interest due from the remote seller or marketplace facilitator as of the date of transfer, and the amount that the transferee was required to withhold.
- I. In this section, the term "transfer" includes the following:
  - 1. A change in voting control, or in more than fifty percent (50%) of the ownership interest in a remote seller or marketplace facilitator that is a corporation, limited liability company or partnership; or
  - 2. A sale of all or substantially all the assets used in the business of the remote seller or marketplace facilitator; or
  - 3. The initiation of a lease, management agreement or other arrangement under which

another person becomes entitled to the remote seller's or marketplace facilitator's gross receipts from sales, rentals or services.

- J. Subsection H of this section shall not apply to any person who acquires their ownership interest in the ongoing business as a result of the foreclosure of a lien that has priority over the Commission's sales tax lien.
- K. Upon termination, dissolution or abandonment of a corporate business, any officer having control or supervision of sales tax funds collected, or who is charged with responsibility for the filing of returns or the payment of sales tax funds collected, shall be personally liable for any unpaid taxes, interest, administrative costs and penalties on those taxes if such officer willfully fails to pay or cause to be paid any taxes due from the corporation. In addition, regardless of willfulness, each director of the corporation shall be jointly and severally liable for unpaid amounts. The officer shall be liable only for taxes collected which became due during the period he or she had the control, supervision, responsibility or duty to act for the corporation. This section does not relieve the corporation of other tax liabilities or otherwise impair other tax collection remedies afforded by law.
- L. A remote seller or marketplace facilitator who terminates the business without the benefit of a purchaser, successor or assign shall make a final tax return and settlement of tax obligations within thirty (30) days after such termination. If a final return and settlement are not received within thirty (30) days of the termination, the remote seller or marketplace facilitator shall pay a penalty of one hundred dollars (\$100), plus an additional penalty of twenty-five dollars (\$25) for each additional thirty- (30-) day period, or part of such a period, during which the final return and settlement have not been made, for a maximum of six (6) additional periods.

#### **4.30.200 – Use of Information on Tax Returns**

- A. Except as otherwise provided in this chapter, all returns, reports and information required to be filed with the Commission under this Code, and all information contained therein, shall be kept confidential and shall be subject to inspection only by:
  - 1. Employees and agents of the Commission and taxing jurisdiction whose job responsibilities are directly related to such returns, reports and information;
  - 2. The person supplying such returns, reports and information; and
  - 3. Persons authorized in writing by the person supplying such returns, reports and information.

  - 2. Whether a business is registered to collect taxes under this chapter;
  - 3. The name and address of businesses that are sixty (60) days or more delinquent in filing returns or in remitting sales tax, or both filing returns and remitting sales tax; and, if so delinquent, the amount of estimated sales tax due, and the number of returns not filed.

- D. The Commission may provide the public statistical information related to sales tax collections, provided that no information identifiable to a particular remote seller or marketplace facilitator is disclosed.
- E.
