To whom it may concern,

As a member of the Petersburg community, I am strongly against the requirement of masking at all times outside my home. I thrive off of being able to get on my boat, workout in the outdoors and enjoy the fresh air and sunshine when we have it. I do agree with businesses having their individual policies regarding masking but I can not agree with the Assembly telling me I need to wear a mask anytime I am outside my home.

Thank you for taking the time to read my concerns.
