Re: Drive Down Facility Bulkhead Design

PND Engineers, Inc. has prepared the attached extension to the PND contract for the Drive Down Facility Bulkhead design work. The Boroughs Harbor Department is seeking authorization to move forward with the proposal.

The Petersburg Drive Down Facility Project continues to be funded through a series of Designated Legislative Grants awarded to the Petersburg Borough on behalf of this capital improvement project. Grant numbers include:

#10 -DC -022 = \$3,390,000 awarded in 2009
#12 -DC- 418 = \$1,810,000 awarded in 2011
#13 -DC -595 = \$5,600,000 awarded in 2012

Please consider moving forward with this extension. If you agree with this recommendation, please forward it to the Borough Assembly for consideration at their next regular meeting.

Thank you.
