

# Memorandum

---

**To:** Borough Manager  
**CC:**  
**From:** Joe Nelson, Supt. PMP&L   
**Date:** 10/4/2013  
**Re:** Bid Opening – Lighting Standards

Bid opening occurred at 1:00 p.m., with two bids received. The results were:

1. O.W. Enterprises \$456.81/unit
2. Bear Electric \$853.00/unit

I recommend award be made to O.W. Enterprises for 35 ea units, for a total amount of \$15,988.35, from budget line item 410000506508 Street Lights & Signals.

Re: Harbor Light Standards – Intent to Award

At 1 p.m. on Oct. 3, 2013 Petersburg Municipal Power & Light opened sealed bids for harbor float-mounted metal light standards.

O.W. Enterprises was the apparent low bidder, and was found to be responsive to the bid requirements. Therefore, I have recommended that the Borough Assembly award the bid to O.W. Enterprises for the bid amount of \$15,988.35.

Thank you for your bid submittals and your interest in the project.

Sincerely,

  
Joe Nelson

Petersburg Municipal Power & Light

Petersburg Borough is replacing the lighting system in the South Harbor, placing the light fixtures on float mounted metal standards as opposed to piling mounted. The standards are to be manufactured according to the drawing/specification "SOUTH HARBOR LIGHT STANDARD (POLE)". Delivery is to be as follows:

1. Deliver thirty-five (35) units within ninety (90) days of contract award.

All deliveries are to the Scow Bay pole yard.

Payment requests will be as follows:

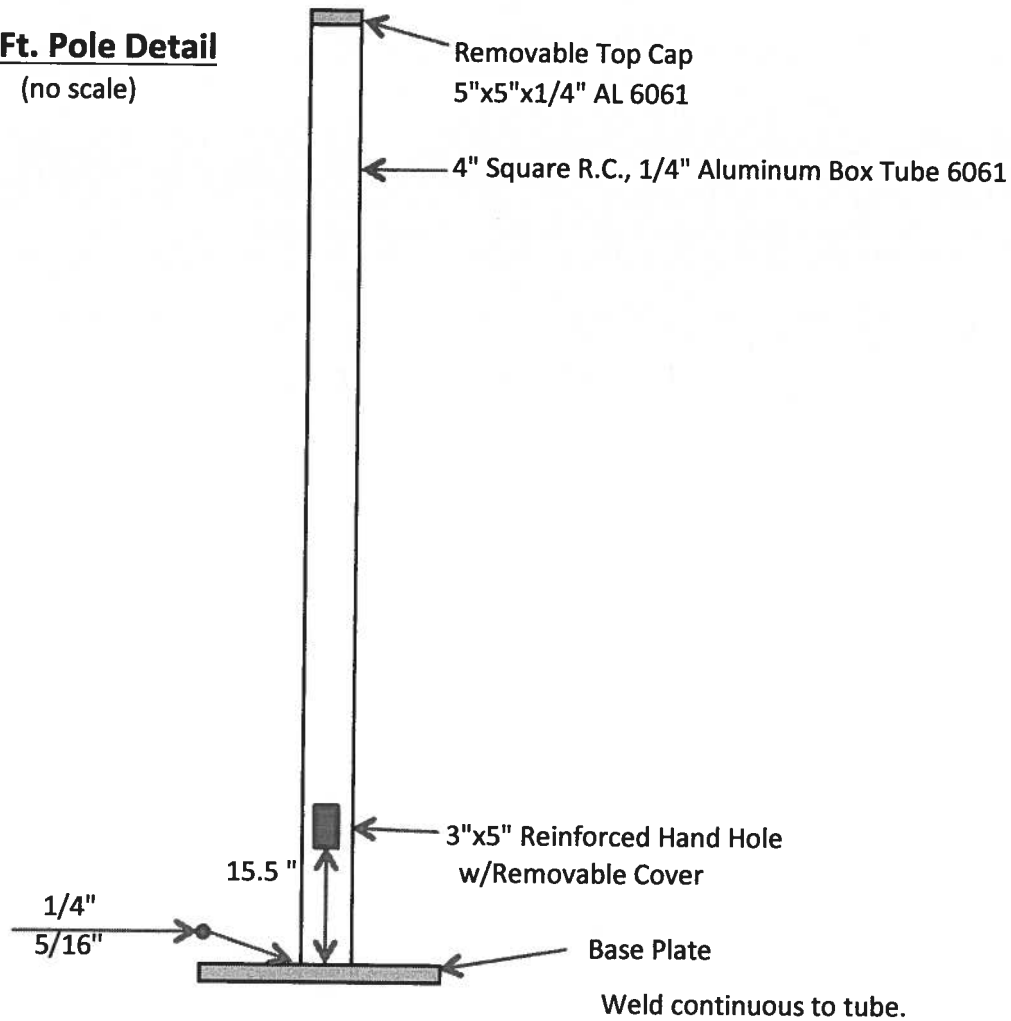

- A single request when all units are delivered.

Bids are to be based on a per unit basis.
