Re: Petersburg Municipal Power & Light Headquarters Building Remodel – Intent to Award

On May 24, 2017 sealed bids were received and opened for the Petersburg Municipal Power & Light Headquarters Building Remodel. Rainforest Contracting, Inc. was the apparent low bidder.

After careful review of the low bidder's submittal, Rainforest Contracting was found to be responsible and responsive to the bid requirements. Therefore, it will be the recommendation of the Petersburg Municipal Power & Light Superintendent to award this project to Rainforest Contracting, Inc., for the bid amount of 538,600, at the June 19, 2017 Borough Assembly meeting.

Upon formal award by the Assembly, a Notice of Award letter will be issued, with a request for contractual submittals in preparation for execution of the construction contract.

Thank you to each of the companies for your interest in our project. If you have any questions, feel free to contact PMPL Superintendent Joe Nelson at (907)772-4203. Attached are copies of the bid results for your review and information.

Sincerely,

Linda Millard, Principal Architect

Cc: Joe Nelson, PMPL Superintendent
Steve Giesbrecht, Petersburg Borough Manager
