The Petersburg Volunteer Fire Department Chief has requested an increase to the appointed Officer Stipend. This stipend has not been raised since it was implemented many years ago. The proposal would increase each officer's stipend by \$20.00 a month, excluding the Fire Chief. The proposed change would be an annual increase of \$3,120 for officer stipends and was budgeted in the 2017-17 Budget.

I recommend approval of this request by the Fire Department Chief and Department Head to further recognize the leadership in this department for the support they give to our community.
