Thank You  
Yes pass this on to the Assembly also.  
I appreciate all that you are doing  
Joe

**Subject:** Masks

In light of recent activity it might be time to take the unfriendly stance and mandate masks for everybody in any building and anywhere where social distancing isn't possible.  
This would also take the onus off stores and other merchants who don't want to turn customers down because they don't have masks on.

We aren't Anchorage but their mayor stood up and Made a stand so should We  
Thanks  
Joe Bertagnoli
