

**PETERSBURG BOROUGH, ALASKA
RESOLUTION #2020-11**

**A RESOLUTION APPROVING THE SOLE SOURCE PROCUREMENT FOR EMD
GENERATOR RE-SEALING PARTS AND SERVICE**

WHEREAS, Petersburg Municipal Power and Light (PMPL) is a member community of the Southeast Alaska Power Agency (SEAPA) and relies upon hydroelectric power purchases from SEAPA projects to distribute power to Petersburg's residents and businesses; and

WHEREAS, PMPL must provide adequate generation of power when SEAPA sources are not available; and

WHEREAS, PMPL owns and maintains a grouping of generators which require major maintenance from time to time in order to provide reliable and dependable service during planned and unplanned outages of hydro power; and

WHEREAS, PMPL has identified the need to perform re-sealing on one of the larger and older generators in our system and wishes to complete re-sealing services on EMD 20-1 in FY2021; and

WHEREAS, there exists one Pacific Northwest provider of parts and service for EMD generators which operates as Marine Services Inc (MSI) in Seattle, Washington; and

WHEREAS, MSI has provided a quote for parts and service for re-sealing work on the 20-cylinder EMD unit targeted for service in FY2021 in the amount of \$82,595.96; and

WHEREAS, MSI has proven in previous work for PMPL that they have the experience, expertise and factory parts inventory for EMD generators to perform the required work; and

WHEREAS, completion of a bid process for this work would not be productive in finding a lower cost, factory supported EMD service company due to MSI's status as the sole Pacific Northwest distributor for EMD; and

WHEREAS, completion of the re-sealing work is highly desired to occur prior to the annual SEAPA shutdown for maintenance that will be occurring in September of 2020.

WHEREAS, PMPL has budgeted \$83,000.00 for this expense in the FY2021 budget under line item 410-405-501353 Power Production Services/Charges Diesel Plant Maintenance.

THEREFORE BE IT RESOLVED the Assembly for the Petersburg Borough approves of the sole source issuance of a purchase order with Marine Services, Inc. for resealing of PMPL generator 20-1 for the quoted price of \$82,595.96.

Passed and Approved by the Petersburg Borough Assembly on July 15, 2020.

Mark Jensen, Mayor

ATTEST:

Debra K. Thompson, Borough Clerk
