To: Assembly
Subject: Landless

I am sending this letter in support of the Landless issue. It's a travesty that so many were left out of the original agreement. As a former Petersburg resident and a member of the Landless Natives of Petersburg, I hope that the assembly will also voice their support for the citizens who have lived here for thousands of years before the formation of Petersburg as a city. Thank you for hearing me. Gunal cheesh. Jackelyn Bell Jackson
