

JUNEAU 36.20.056 :

(1) "Bear attraction nuisance" means

- (A) More than one-half gallon of any putrescible material, including packaging or other surfaces to which the material is adhered;
- (B) Any organic material of a type which has previously attracted a bear to the property;
- (C) Soiled disposable diapers;
- (D) Exceptions. "Bear attraction nuisance" does not include:
 - (i) Material in a certificated landfill;
 - (ii) Manure or sewage;
 - (iii) Material in a garbage can stored outside temporarily for purposes of collection after 4:00 a.m. on a day scheduled for collection;
 - (iv) Living or dead flora or fauna indigenous to the property on which it is located;
 - (v) Material completely enclosed in a structure or container which requires hands or tools to open, unless the structure or container has been proven ineffective as a bear-resistant container or containment area, whether due to design or improper use, three or more times within a 30-day period;
 - (vi) Material in a metal garbage container designed to be lifted and emptied by a garbage truck, provided that the container is tightly covered by a bear-resistant metal lid fastened with a bear-resistant device or located within a garbage containment area behind barriers sufficient to withstand entry by a bear, unless the container or area has been proven ineffective as a bear-resistant container or containment area, whether due to design or improper use, three or more times within a 30-day period.

SITKA :

9.24.010 Definitions.

The terms and phrases used in this chapter shall have the following meanings:

A. "Bear attraction nuisance" means, except as otherwise provided in this section:

1. Any amount of putrescible waste, including packaging or other surfaces to which it is adhered;
2. Any organic material of a type which has previously attracted a bear to the property within the past five years; or
3. Soiled disposable diapers.
4. "Bear attraction nuisance" does not include:
 - a. Material, that would otherwise be considered a bear attraction nuisance, in a certified landfill;
 - b. Manure or sewage;
 - c. Material, that would otherwise be considered a bear attraction nuisance, in a refuse container which is placed for collection no earlier than four a.m. on refuse collection day, with the material being either collected or removed from the container no later than eight p.m. that same day;
 - d. Living or dead flora or fauna indigenous to the property; or
 - e. Material, that would otherwise be considered a bear attraction nuisance, which is completely enclosed in a structure or container when the structure or container has all places of entry covered by a door, window, lid, or other covering which requires hands or tools to open, unless the structure, container or covering has proven ineffective to withstand entry by a bear, whether due to design or improper use, two or more times within the previous year.

KETCHIKAN:

9.68.125 Storage of garbage and other waste.

No owner, tenant or person in charge of property shall cause or allow any refuse or waste of a type which may attract animals or any garbage to be placed or kept on the property or adjacent right-of-way except in one of the following manners:

- (a) At the designated place for collection after 4:00 a.m. on the scheduled day for collection in a watertight, odor-free container meeting the requirements of KMC 7.16.050;
- (b) In a structure or container requiring hands or tools to open;
- (c) In a metal container tightly covered by a bear-resistant metal lid fastened with a bear-resistant device approved by the public works department; or
- (d) In a containment area behind barriers which has been determined by the public works department to be sufficient to withstand entry by a bear.

Pursuant to KMC 1.02.110, the fine schedule for violations of this section is \$200.00. (Ord. 1593 § 1, 2008)

SKAGWAY 8.04.035:

1. "Bear attraction nuisance" means:

- a. More than one-half (1/2) gallon of any putrescible material, including packaging or other surfaces to which the material is adhered;
- b. Any organic material of a type which has previously attracted a bear to the property;
- c. Soiled disposable diapers;
- d. Exceptions. "Bear attraction nuisance" does not include:
 - (i) Manure or sewage;
 - (ii) Material in a garbage can stored outside temporarily for purposes of collection after 4:00 a.m. on a day scheduled for collection;
 - (iii) Living or dead flora or fauna indigenous to the property on which it is located;
 - (iv) Material completely enclosed in a structure or container which requires hands or tools to open;
 - (v) Material in a metal garbage container designed to be lifted and emptied by a garbage truck; provided, that the container is tightly covered or located within a garbage containment area behind barriers approved by the municipality as sufficient to withstand entry by a bear.
