Subject: Fwd: FW: speeding on 13 block of Howkan ST.

To the city of Petersburg council and others I sam Hoschar and residents of Howkan street would like to see speed bumps installed and the speed limit dropped and fully enforced to the fullest extent of the law. Over the last four years the traffic has gotten out of hand with speeding drivers I have purchased 4 slow children at play signs and they have been destroyed by the people who don't live there. On Saturday the 9th I observed a black 4 door dodge pick up going at least 50 MPH I was outside but by the time it took me to stand up and look the truck was most of the way to the corner and I could not get a plate number. This concerns me so as I have two girls who live with me ages 9 and 7 now they are afraid to ride their bikes because of fast drivers in the area . Please look into this mater and come up with a solution before someone is hurt or killed. Thank you

Sam Hoschar
