Subject: Thank You

Good evening! I would like to thank you for your careful consideration of the school district's request for CARES Act funding, and for your unanimous approval today. I truly understand the difficult situation you are in, trying to make decisions about multiple deserving entities in our community. The planning process for re-opening school has been fraught with challenges and will continue to be a moving target, but we are committed to providing the highest quality education for all students in our community, whether we are full-time in person, part-time, or fully remote (hopefully, VERY unlikely). Here's to our community remaining in the "green" so we can start school with as much in-person education as possible.

Respectfully,
Erica K-P
