City manager, Borough Assembly:

January 24, 2018

This letter is written in response to an opening on the Public Safety board. I wish to express my interest in serving on the board. I have been a member of the Petersburg community for a majority of the last 24 years. I have served on fire, SAR, EMS services. I have worked on numerous occasions with the police and the police department; as well as the school system, Coast Guard, Forrest Service. I have a skill and knowledge set consistent with the expertise needed to serve effectively on the Public Safety Board. I have previously served on the Parks and Recreation Board and I am presently the medical director for the Petersburg Volunteer Fire Department.

I can provide additional information; curriculum vitae, references, and answers to direct questions as desired.

If you have any additional questions or concerns, please contact me at your earliest convenience at the address or phone number above. Thank you in advance for your rapid attention to this matter.

Respectfully
