

July 5, 2018

Dear Southeast Conference Board of Directors and Nominating Committee,

I am interested in filling the Southern Southeast Public Board Member seat currently advertised. I have served on the Petersburg City Council/Petersburg Borough Assembly for nearly 11 years (since Petersburg's municipal election in October of 2007). The City Council appointed me Vice Mayor immediately after the election and I continued in that capacity until November of 2012 when I was appointed as Petersburg's Mayor.

I am a lifelong Petersburg resident, a commercial fisherman, and a private welding fabrication business owner. I am vested in Alaska and very interested in the future of Southeast Alaska and our entire state. I believe I will be a valuable asset to the Southeast Conference Board.

Thank you for your consideration,

Mark Jensen
