Subject: In support of Ordinance 2020-19

Dear Petersburg Assembly Members -

I want to encourage you to pass Ordinance 2020-19 amending the Borough Code to provide for civil emergencies. I believe one of the most important functions of local government is to protect the health and safety of our residents. I appreciate the proactive and coordinated response to the threat of Covid-19 that the borough has made so far. I firmly believe the borough's actions have greatly contributed to the low number of cases in our community. I want to see local government continue with a robust response to this pandemic and any other emergencies we may face in the future.

Please pass this ordinance without delay.

Sincerely,

Hilary Wood
