Assembly Members,

The ICS and the Borough as a whole have done an excellent job of keeping our community functioning and with admirably low rates of covid infection and its consequences.

I urge you to pass the permanent emergency ordinance. It is thoughtfully written and has adequate safeguards built in.

There are a small number of people in town who are making a lot of noise in opposition. Don't be dissuaded from doing what is best for all by this group. You won't be able to come up with a compromise that appeases them.

Thank you,
