**Subject:** Thank you!

Dear Petersburg Borough Assembly Members,

I just wanted to say thank you to all the Assembly Members for your service. Regarding the passing of the Emergency Preparedness Ordinance, I also wanted to let you know how much I appreciated Mr. Lynn's efforts to include the requests of the many voices heard during the public comments and how the Assembly Members worked together during that contentious time. I appreciate the leadership that was demonstrated by the Assembly.

Thank you.

Kari Petersen
