

February 18th, 2021

Dear Petersburg Assembly Members,

The Petersburg Chamber of Commerce would like to advocate on behalf of the Tourism Industry for 2021. As things are rapidly changing, we are asking that you will be flexible in your approach. As a board we are hoping to work on protocols, with other communities in Southeast Alaska, in hopes to have clear unified vision across the board for our cruise ships and independent travelers. We believe the importance of having a consistent format between communities will bring clarity to our travelers visiting Southeast.

We're asking you to postpone in making any decisions as we are in need of more time to review and will give you our input in time for the Assembly meeting on March 15th.

We appreciate your time and consideration as we begin the process of reopening our beautiful town, Petersburg.

Sincerely,

Mindy Lopez
